## ***Kids Tournament***

Thanks to everyone that helped out with the kid's tournament at Cottage Grove Lake. Special thanks go out to Reed Conrad who organized the event and to Mike Finley for bringing the barbeque and handling the cooking. The kids all seemed to have a great time. Let's try to make this an annual event.

## ***Andy Mitchell and Brad Green win at Fall Creek***

Aggressive undersized fish dominated the lake. Catching a limit of keeper bass was a real challenge on this hot summer day. Although many fish were caught, only three teams managed to bring in a limit. Troy Corgain and Ron Schulte finished in 3rd place with 5 fish weighing 7.61 pounds. Rob Wardan and Mark Mattson finished in 2nd place with a limit weighing 10.33 pounds. First place went to Andy Mitchell and Brad Green with 5 fish weighing 10.56 pounds. Big fish honors went to Rob Wardan with a bass weighing in at 5.55 pounds.

### ***Next Stop, Night Tournament at Tenmile***

Beat the heat, head for the coast, and let's all go night fishing! Our next tournament will take place during the night at Tenmile. The plan is to start sometime in the evening on Saturday, August 9 and finish sometime the following morning. Details will be decided at the August meeting.

### ***Casting For Kids***

EBC will be hosting the "Casting For Kids" event at the Lane County Fair on August 16. If you can offer a couple of hours of your time for this important event, please contact John Buller for details.

### ***Dorena Tournament Schedule Change***

Due to a scheduling conflict with the Mt. Hood club, EBC has decided to reschedule the Dorena tournament. Since Mt. Hood will be fishing at Dorena on September 20, EBC has agreed to reschedule its tournament for September 13. Make sure to update your calendars. EBC will be fishing Dorena on September 13 rather than September 20.

### ***Scheduling Conflict at Willamette Park***

It appears that the Oregon Hawg Hunters are scheduled to fish out of Willamette Park on the same day that EBC will be there. This tournament is currently scheduled for October 18. We can leave the schedule as is and fish along side the other club, reschedule for a different date, or move to another location. If you have any suggestions regarding this conflict, please bring them up at the meeting.
