## **Slow night at Dorena – July 24**

Most teams found the fishing rather tough on this warm summer night. With afternoon temps over 100 degrees for two days prior to this event, it was still a great night to be out fishing. Only half the field were able to manage five-fish limits. The winning team of Chris Vest and Reed Conrad caught a nice keeper on the first cast of the evening and didn't pick up their fifth fish until just minutes before weigh-in. For those not catching many fish, there was a great light show from distant thunderstorms in the mountains.

Chris Vest and Reed Conrad finished first with five fish weighing 14.71 pounds. Corey Buller and Cary Cooper got off to a slow start, but finished second with a nice 14.39 pound limit. Roger Emmert and Mike Finley finished third with only four fish weighing an impressive 14.21 pounds, including Roger's big fish weighing 5.03 pounds.

**Dorena Results – August 22**

Expecting a hot mid-summer day on Dorena, with lots of competition at the ramp from pleasure boaters, the club decided to set tournament fishing hours from 4:00 am until noon. The weather was not as expected, with HEAVY rain for most of the morning. The only congestion on the water came from a swim competition over by the Rat Creek boat ramp.

Three teams found good fish, with Bob Caldwell and Dennis Green weighing in the winning weight of 17.66 pounds. Pete Ohlsen and Roger Emmert finished second with a limit weighing 15.64 pounds. Third place went to the team of Dave Schnell and George Downs with five fish weighing 14.82 pounds, including Dave's 4.62 lb. "big fish".
