## ***Frostbite Open***

Emerald Bass Club's 2<sup>nd</sup> Annual Frostbite Open at Tenmile was held on Saturday February 12. The event attracted a full field of 24 teams from throughout the state. Everything went very smoothly, thanks to the organization by Troy Corgain and Corey Buller, plus the assistance of tournament directors Roger Emmert and Pete Ohlsen at weigh-in, and morning live-well checks by Chris Vest and Reed Conrad. Thanks to all who helped this year!

## ***EBC Season Opener at Tenmile***

Restock the tackle box, sharpen the hooks, and dust off the reels. It's time to get the bass fishing season started. Saturday, February 26 marks the club season opener at Tenmile. There should be a good turnout, as 13 boats already registered during the last meeting. At the time of the draw, there were several boaters without partners - so we need some non-boaters. Anyone interested in fishing has up until the Tuesday before the tournament to sign up.

Blast off will be at safe-light (around 6:30) and weigh-in is at 4:00.

## ***Membership Directory***

Enclosed is a copy of the membership directory from last year. Please note any changes, deletions or additions that need to be made. You can bring your updated information to the next meeting, mail it to the address above, or email to [mail@emeraldbassclub.com](mailto:mail@emeraldbassclub.com).
