EBC Boat Inspections

The Dexter Lake boat inspections went off without a hitch, (except for big yellow) and our appreciation goes out to Kyle and the Oregon State Police for providing this opportunity to EBC and our boaters to get their stickers.

Fern Ridge Enhancement Project

Rob Wardan made all the necessary contacts to move our club project forward in the coming months. It seems funds are available from several state agencies and we will be technically advised by Gary Galovich who will meet with all the agencies and then let us know what our limitations are and how to proceed.

Shasta Tournament

Our annual Shasta club get together is rapidly approaching and remember to share info with those that can't get there to prefish. The meeting will be Friday, April 27 at Shasta Dam Motel at 7:00 pm where we will draw for blast off.

Info on Prineville EBC Tournament

Roger Emmert has arranged with Best Western Prineville to allow a corporate rate for all EBC tournament fisherman. \$71 a night, double occupancy is the rate and contact # is 541-447-8080. Address is 1475 E 3rd Street Prineville. You must tell them you are from the club to get the rate.

Register Guard Coverage

I hope everyone got to see the special section in the local newspaper featuring bass fishing and with the emphasis on EBC. Roger Emmert graced the cover of the section and featured quotes by Ron Hansen and Rob Wardan.

U of O Bass Club

Tentative schedule for U of O Bass club is as follows: Fall Creek April 21st Cottage Grove May 5th Dorena June 2nd
We need volunteer boaters to take these guys out and fishing so please step up and help if you can. Also Gregor Crowell has been selected to participate in a college tournament format similar to FLW. He will represent U of O against Perdue on Lake Oneida in New York.
