Northwest Club Classic – October 13, 2007

Last October, the Northwest Club Classic (NWCC) was held at Tenmile Lakes. So this is the alternating year that it is to be scheduled on the river. Central Oregon Bass Club has been highly involved in the organization and support of this event over the years, and so Rob Wardan has contacted them for their input. It has been suggested that the Emerald Bass Club host this year's event out of Willamette Park.

***** Look for additional information to be posted on our website very soon. *****

If there is enough club interest to continue this tradition, and if EBC does in fact wish to host this year's event, we will need to get several volunteers lined up very quickly. If you're willing to help out on October 13, *please* call Rob Wardan at 541-517-7171. Any and all assistance would be much appreciated (and necessary if all is to go smoothly).

Club Fees Overdue

The Club fees, due no later than the club meeting in February has been overlooked by several of our active members. Without naming names, please check with John Buller if your initials happen to be GC, CC, MF, MW or CP. Points from tournaments are not awarded if fees are not paid. Thanks!

Procedures Reviewed

Chris Vest asked that the areas of off limits and safe light be discussed for the benefit of the club membership. Specifically, Chris wanted to make sure that if any improprieties are suspected, the tournament director is the first to be contacted within 30 minutes of tournaments end. He also asked that off limits be discussed at the club meeting prior to the tournament, as well as at the meeting just before

blast off. The safe light issue was mostly about people being on time and ready to go when the tournament director decides it is safe light. If you are late, please expect the club will not be waiting for you. Chris also offered a sincere apology for his response to a previous issue having to do with Shasta.

Friday Nites Bite

Ron Hansen is putting on Friday evening fun and money tournaments every couple of weeks for the rest of the summer. All state and tournament rules must be followed, including the use of tournament banners. 13 inch minimum is required in a 5 fish limit. Interested? Call Ron at 741-BASS

Next Stop, Dorena

Dorena Lake will be the next scheduled tournament for EBC. There will be a 4:30 meeting in the parking lot, with blast off at safe light and a 3pm weigh in. Off limits include anything inside the black buoys at the launch ramp; please just stay away from this area as it is very busy in the summer. The other off limits is going inside the buoys at the dam. You may cast over them, but the boat must remain outside.

Greenpeter Results

13 boats participated in the EBC tournament at Greenpeter. This is a beautiful lake with tons of fishable water. The only drawback this year was the very low water levels, making take-out a chore. Overall I would rate this as a very fun tournament. Results were as follows:
