2007 Frostbite Open looking to be a great success

Rob Wardan has secured all appropriate permits, assigned all volunteer positions and generally positioned the club to create the best Frostbite Open to date. Much thanks to Rob for all his hard work and attention to detail on this event. Also thank you to Troy Corgain for his prior 2 years of service getting this event established for EBC.

First EBC Tournament of the year

Emerald Bass Club's first tourney event of the year will take place at Tenmile Lakes one week after the Frostbite Open. Partners were drawn at the last club meeting, so if you want to fish this event, be sure to contact Ron Hansen at least 1 week before the event. Event date is Feb 24 with a 6:00am meeting on the water and a safe light blast off. Weigh in will be announced prior to blast off. **Entry fees are due prior to start of tournament to avoid disqualification.**

New Club Jackets and Hats

Ron Hansen presented designs and logos at the last EBC business meeting, which seemed to meet most attending members approval. A group consensus approved spending club money for initial hat order once the design has been finalized. Hats will be available for purchase and jackets will be ordered.

Chris Vest Reports on Banquet

Chris reported another successful dinner/awards banquet/raffle. Everything went very smoothly in spite of Rob Warden's obviously ill prepared presentation on lack of preparedness. Seriously, I found Rob's presentation to be entertaining and humorous. Thanks Rob. Thank you to Chris Vest for his extraordinary effort in putting this event together. Having done it in past years, I can tell you it's no easy task. Thanks very much Chris.

Drop Shotting for Dummies

Rob Warden shocked everyone by doing his presentation on drop shotting. I'm sure everyone picked up a tip or two on how to improve their technique. Thanks Rob for sharing your expertise in this area.

2007 State Team

Congratulations to EBC club member Corey Buller for making the 2007 Oregon State Team. Corey is a great and knowledgeable fisherman who is great to fish with. Way to go Corey!!!
