## **2007 Frostbite Open – A Resounding Success**

Thank you to Rob Wardan and all those who assisted in making this years Frostbite open a great success. We received several attaboys and notes commenting on a nicely run tournament . Well done EBC!

## **EBC Boat Inspections**

Troy Corgain has arranged to have Kyle Elmenhurst (Oregon State Police) be present to conduct a boat inspection just for Emerald Bass Club members. The inspection will be at the Dexter Lake main ramp on Sunday morning April 1 at **10:00am**. Please come out and support this as he is making a special effort just for our club members. This will also save us time at the ramps during tournaments because you will have your 2007 sticker.

## **Monthly Club Presentation**

This month's presentation was conducted by Kyle Elmenhurst (Oregon State Police) and John Bock and DJ Mann from the Sheriff's Department. They were informative and answered many questions by club members. We learned that the primary function of the State Police is Fish and Game enforcement while the Sheriff's Department 's focus is more to Safety. They talked a lot about alcohol and boating and also about PDF's. We learned that if you have a type 5 pdf, you are required to wear it at all times; Type 3 is required in the boat and type 4 must be readily accessible. Inane arguments about the definition of readily accessible then followed. Thanks again to our guests for a great presentation. Thanks to Troy for arranging the presentation.

## **Fern Ridge Club Project**

Rob Wardan will be investigating an enhancement project for our club and will advise us at the next club meeting.

## U of O Bass Club

Chris Parks informs us that U of O Bass Club is gearing up for the new tournament season and needs boater volunteers for the upcoming tournament at **Mercer Lake** on **Saturday March 17**. Please contact Chris and let him know how many you can take in your boat. His number is 517-2806.

## Club Jackets and Hats

We finalized the logo for our jackets and hats. Hats will be ordered by the club and sold individually. Jackets will be ordered directly and will be somewhere around \$80. Rob or Ron will have hard information at the next meeting.
