Club Member Loses Home

Ron Hansen, long time club member and current tournament director, lost his home to a house fire recently. He is currently in the process of trying to recover, and we just wanted Ron to know we were thinking of him and wish him all the best in the process.

U of O Bass Club Update

The U of O Bass Club will be sending its top 4 finishers to the college nationals at Lewisville Lake near Dallas, Texas. Two active members of our club, Chris Parks and Gregor Crawl, will be fishing and representing U of O, and are fired up for the event. It's an awesome opportunity for our young members to get "big time" tournament experience as well as prize money. That is coming up Sept 27-28 and we just want to wish the team the best of luck and a safe trip.

Northwest Club Classic

The NW Club Classic is slated for October 13 at Willamette Park. Rob Wardan and Paul Brown have generously offered to run the event and are asking for a few more volunteers for livewell checks and weigh in duties. After the launch you may go out and fish, so come on out, help out, and have some fun.

Loon Lake Next Club Event

The meeting for EBC's 8th tournament of the year will be at 5:45 in the parking lot at the lake. We will launch at safe light and weigh in at 3:00 PM. Chris Parks has stepped up and offered to do tournament director duties while Ron is out. Off limits are swimming area and maybe a gas dock if it is open.

Dorena Results

Roger Emmert enjoyed his first club win as he and Rob Ross scorched the rest of the field by nearly 5 pounds. Fishing was fairly tough for most of the fisherman in this event, but Roger and Rob found their fish early and did a great job to weigh in the only limit of the tournament. Chris Parks weighed in a beautiful 6.49 largemouth, which leads for big fish of the year. Congratulations to all!
