## **2008 Frostbite Open – Another Resounding Success**

Thank you to Rob Wardan and all those who assisted in making this years Frostbite open a great success. We received many calls about a great job...so thank you again for all those who volunteered their time, it's an impossible task without you. We identified a couple areas where we could improve, so we will be implementing a couple more efficient procedural changes. We had 44 entrants this year so we are doing something right!

## **Warmwater Fisheries Meeting**

Dave Fuske went to Salem to attend this meeting for the club. Nothing was discussed on our potential Fern Ridge enhancement project, but much was discussed about the Tenmile Lakes permitting process. Bottom line is...they don't want to be involved in the decision about who will receive the 6 available permits each year, they want the clubs to work it out. If no resolution is received, NO permits will be issued.

## **Welcome Guests**

The club acknowledged and welcomed two new guests last month...they are Matt Myers and Ed John. The club seems to be going through a growth spurt right now so let's make sure we introduce ourselves and make our guests feel welcome. Welcome Matt and Ed!

## **Next Tournament Willamette Park**

Willamette Park has been a regular stop for EBC but this year we will be going in the spring. We already have a great turnout slated, so it should be a fun and interesting tournament. The meeting will be at 6:15 in the parking lot, with a safe light blast off and a 3:30 weigh in.
